# METEOROLOGY SERVICE CERTIFICATE MET 003 FUJAIRAH INTERNATIONAL AIRPORT

CERTIFICATE HOLDER: FUJAIRAH INTERNATIONAL AIRPORT

The General Civil Aviation Authority (GCAA) under the authority of the UAE Civil Aviation Law, Federal Act No. 20, 1991, Article 27, certifies that Fujairah International Airport, as the Certificate Holder, has been successfully assessed against the requirements of UAE Civil Aviation Regulations and International Civil Aviation Organisation Standards and Recommended Practices to provide Meteorology Services, at Fujairah International Airport. This assessment is based on the GCAA certification review processes.

This Certificate is issued subject to the conditions and scope of service as detailed in Part I and Part II of this Certificate document.

The GCAA may suspend or revoke this Certificate at any time where the Certificate Holder fails to comply with the provisions set forth in UAE Civil Aviation Regulations.

This Certificate is not transferable and shall remain in effect unless surrendered, suspended or revoked by the GCAA.

Part I – Conditions**

**CERTIFICATE HOLDER: FUJAIRAH INTERNATIONAL AIRPORT**

The General Civil Aviation Authority (GCAA) under the authority of the UAE Civil Aviation Law, Federal Act No. 20, 1991, Article 27, certifies that Fujairah International Airport, as the Certificate Holder, has been approved to provide Meteorology Services, at Fujairah International Airport subject to the following conditions:

1. The MET Certificate is for use only by the Certificate Holder and by persons specifically authorised by the Certificate Holder.
2. The validity of this MET Certificate is based on compliance with the particulars contained in the accepted MET Exposition Document and related Manuals and continued effectiveness of the Organisation's Safety and Quality Management Systems.
3. Services shall be in compliance with the UAE Civil Aviation Regulations and ICAO Standards and Recommended Practices.
4. The Certificate Holder shall allow GCAA Inspectors unrestricted access to the Organisation and all safety related documents for the purpose of regulatory oversight.
5. Required corrective actions arising from GCAA audits shall be completed by the agreed dates or as specified in subsequent correspondence from the GCAA.
6. Scope of Service and any required specific conditions shall be stated in Part II of this Certificate.
7. A current list of Post Holders accepted by GCAA shall be stated in Part III of this Certificate.
